

Departmental Seminar, 2018; Organic Chemistry Department
Indian Association for the Cultivation of Science (IACS)

Date: January 11, 2018

Venue: C.V. Raman Hall, 2nd Floor, IACS Main Building

Programme Schedule

Season 1

10:00 am-10:10 am: Welcome address by Prof. Surajit Sinha, Head of the Organic Chemistry Department, IACS.

Time	Season Chair	Speaker	Title of the talk
10:15 am-11:00 am	Prof. B. C. Ranu	Prof. Pierre H. Dixneuf	"Catalyzed C-H bond functionalisation: from ruthenium(II) to copper(I) catalysts"

11:00 am-11:30 am: Tea break

Season 2

Time	Season Chair	Speaker	Title of the talk
11:35 am-12:20 am	Prof. Subrata Ghosh	Prof. Dr. Christoph Schneider	"Catalytic Multicomponent Reactions for the Rapid Assembly of Molecular Complexity"

Season 3

Time	Season Chair	Speaker	Title of the talk
12:25 am-12:45 pm	Prof. Tapan Kanti Paine	Isita Banerjee	"Synthesis and optical resolution of dimercaptophenylalanines and their incorporation into peptide having dithiol functionalities"
12:45 pm-13:05 pm		Deepanjan Panda	"Target Guided Synthesis using recyclable DNA nano-templates"
13:05 pm-13:25 pm		Tubai Ghosh	"Cobalt Catalyzed Remote C-4 Functionalization of 8-Amino-quinoline Amides with Ethers via C-H Activation under Visible Light Irradiation"

13:30 pm 14:30 pm: Lunch break

Time	Season Chair	Speaker	Title of the talk
15:00 pm-15:20 pm	Prof. Tapan Kanti Paine	Arka Porey	"NHC Catalyzed 1,6-Conjugate Addition via Non-covalent Interaction"
15:20 pm-15:40 pm		Debobrata Paul	"Total Synthesis of Pestalotioprolide G and Putative Structure of Pestalotioprolide H"
15:40 pm-16:00 pm		Poulami Chakraborty	"Supramolecular Gel: is it still Serendipitous? - A case study"

16:00 pm-16:30 am: Tea break

Season 4

Time	Season Chair	Speaker	Title of the talk
16:35 pm-17:20 pm	Prof. S. C. Roy	Prof. Dr. Martin Oestreich	"Deceptively Simple Reactions with Silicon"

17:20-17:30 pm: Closing remark by Prof. Parthasarathi Dastidar.
