Seminar Notice

Org. by

Theoretical Physics Department

Title:	Vacancy-induced low-energy states in undoped graphene
Speaker:	Kedar Damle, TIFR, Mumbai
Date:	December 08, 2016 (Thursday)
Time:	03:30 p.m.
Venue:	Theoretical Physics Seminar Room (R/No.-C406), 3rd Floor, Centenary Building, IACS

All are cordially invited to attend the seminar
