Advertisement No. IACS/ Consultant (Electrical)/2026/664

Dated: June 09, 2026

ADVERTISEMENT OF CONSULTANT (ELECTRICAL)

Indian Association for the Cultivation of Science (IACS), Kolkata, invites applications from eligible and experienced professionals for engagement as Consultant (Electrical) on purely temporary and contractual basis initially for a period of 01 (One) year, extendable on annual basis based on performance and institutional requirement, subject to approval of the Competent Authority.

Number of Post:

01 (One)

Nature of Job:

The Consultant (Electrical) will have to attend duties on all working days and to oversee upcoming major electrical works, particularly in view of the extensive infrastructural requirements associated with all the events of the Institute including the 150th Anniversary celebrations. The Consultant (Electrical) will have to look after one 3MVA and one 600 KVA Substations along with three 500 KVA, one 250 KVA and one 200 KVA Generators, along with the associated campus electrical infrastructure and maintenance activities considering the increasing workload and upcoming projects.

Essential Qualification & Experience:

a) Essential:

B.Tech./B.E. in Electrical Engineering of a recognized University/Institute.

b) Experience:

Officers retired from Level - 10 (as per 7th CPC) or above from Central Government Service / Central Autonomous Bodies/Universities/Research Laboratories and having experience in the electrical work related to Supervision & maintenance of HT/LT electrical systems, Electrical installations, sub-stations, transformers, DG sets, and allied infrastructure. Preparation of budget estimates, tender documents with technical specifications for Govt. procurements following G.F.R., and supervision of electrical works, Liaison with statutory authorities such as CESC/WBSEDCL/PWD/Electrical Inspectorate etc. and monitoring of electrical safety measures & energy management.

b) Desirable:

M. Tech. / Master of Electrical Engineering.

Specified certifications in Power Systems/Energy Management.

Age Limit:

Preferably not exceeding **62 years** as on the closing date of application (relaxable as per Government of India norms, if applicable).

Remuneration:

A fixed monthly consolidated remuneration up to ₹ 65,000/- shall be admissible and shall remain fixed during the entire period of contract. The said monthly remuneration shall be fixed as under:

In case of Retired employees who are drawing pension (as per CCS Pension Rules), the fixed monthly remuneration shall be arrived at by deducting basic pension (before commuting any pension) from the pay drawn in the Pay Matrix at the time of retirement plus Transport Allowance (TA) as was applicable to the appointee at the time of retirement.

Retired employees superannuated under NPS will be paid monthly remuneration as per extent guidelines of the Department of Expenditure.

No House Rent Allowance or any other allowance shall be admissible during the period of contract. However, retired employee engaged as consultant will be allowed TA/DA on official tour, if any, as per their entitlement at the time of retirement.

TDS will be deducted as per Income Tax Rules. The engagement shall not confer any right for regular appointment in IACS.

Leave:

The consultant will be allowed 1.5 days leave for each completed month of service. Accumulation of leave beyond a calendar year will not be allowed. Also, no payment in lieu of un-utilized leaves will be made by this Institute. Leave more than three days in a single spell shall not be allowed.

Roles and Responsibilities:

The Electrical Consultant shall be responsible for:

- Overseeing the upcoming major electrical works related to all events of the Institute including the 150th Anniversary infrastructural development projects.
- Advising the Institute on design, implementation and maintenance of high voltage laboratory equipments and campus-wide electrical grids.
- Supervision, modernization and maintenance of electrical infrastructure across the campus.
- Collaborate with faculty and researchers to provide technical oversight for specialized experiments involving electromagnetic compatibility and power electronics.
- Lead the integration of renewable energy sources (solar/smart grids) within the campus ecosystem.
- Assisting in planning and execution of electrical projects and renovation works.
- Inspection and certification of electrical works carried out through contractors/vendors.
- Ensuring compliance with statutory safety norms and regulations.
- Any other work assigned by the competent authority from time to time.

Terms & Conditions:

1. The engagement is purely contractual.
2. The Consultant shall not be entitled to regularization or permanent absorption.
3. The engagement may be terminated by either side with one month's notice.
4. The selected candidate shall be required to maintain strict confidentiality of official data.
5. IACS reserves the right to cancel or modify the advertisement without assigning any reason.
6. He/ She shall maintain highest standards of integrity, transparency, comparativeness, economy and efficiency while working as consultant of the institute.

Selection Procedure:

- Applications will be shortlisted based on eligibility and experience.
- Shortlisted candidates may be called for Interview/Presentation before a duly constituted Selection Committee.
- The decision of IACS shall be final and binding.

List of supporting documents of eligibility criteria and experience to be submitted along with the application:

1. Self-Attested copy of :-

- a. Matriculation/Secondary School Certificate (10th Standard) showing the date of birth.
- b. Degree Certificate issued by a UGC recognized University/Institute and other professional award certificates.
- c. Work Experience Certificate in the Letter Head of Government (Central or State)/ PSU/ Government Companies/ Autonomous Institution/Registered Organization clearly stating the duration and nature of work.
- d. Identity Proof: Aadhaar Card/PAN Card/Voter ID Card.

Interested candidates may apply in confidence with their complete Bio-Data as per the attached proforma on and before **10th July, 2026** (up to 5:00 PM) with copies of testimonials to the following address:

The Registrar,
Indian Association for the Cultivation of Science,
