Best Chemistry Scientists

The 3rd edition of Research.com ranking of the best researchers in the discipline of Chemistry is based on data consolidated from a wide range of data sources including OpenAlex and CrossRef. The bibliometric data for estimating the citation-based metrics were collected on 21-11-2023. Position in the ranking is based on a scientist's D-index (Discipline H-index), which includes exclusively publications and citation data for an examined discipline.
