Colloquium Notice

Org. by

School of Physical Sciences

Title:	Remembering Murray Gell-Mann: particle physics, complexity and personal interactions
Speaker:	Probir Roy, Center for Astroparticle Physics and Space Science, Bose Institute, Bidhan Nagar, Kolkata
Date:	August 22, 2019 (Thursday)
Time:	15:00
Venue:	C.V.Raman Hall, 2nd Floor, Main Building, IACS
Abstract:	In this talk, meant for a general science audience, an overview will be given of the spectacular career of Murray Gell-Mann, particle physicist and polymath, including anecdotes from personal knowledge of him.

All are cordially invited to attend the colloquium
