2A & 2B, Raja S.C. Mullick Road, Jadavpur, Kolkata-700032, India

Lecture Series

Org. by
School of Physical Sciences

Title:	Magnetism in Kitaev Materials: of quantum spin liquids and Majorana fermions
Speaker:	Roderich Moessner, Max-Planck Institute for the Physics of Complex Systems (MPIPKS), Dresden, Germany
Date:	December 17 (Tuesday) and 18 (Wednesday), 2019
Time:	11:30 Hours (on both days)
Venue:	C.V. Raman Hall, 2nd Floor, Main Building, IACS

All are cordially invited to attend the seminar
